}
```

Abstract

A deployed-homepage capture associated with the Restored Academy Protocol Registry v1.0 launch bundle.

The record names a larger package containing the site, twenty-four protocol cards, charter, schema, and audit infrastructure, but the seated body is the served public page rather than a verified complete bundle. Preserve that manifestation distinction.

Body

Deployed source — restoredacademy.com

Recovered 2026-08-04 from the live canonical surface at https://restoredacademy.com/ (HTTP 200; 85,955 bytes; SHA-256 ddc75776a16ad31388be8b73487b853955049ba5475205b2111e6b1632a2932a
Page title as served: The Restored Academy — Protocol Registry v1.0

The deployed source below is the work this record deposits, reproduced verbatim; the site remains the live manifestation and this is its archival capture.
